Subject: Submission of Draft Reports  
Classification Exception Area Documents for Building 566,  
Buildings C17/20/16/50, and Building S-106B  
NWS Earle - Colts Neck, New Jersey

Dear Mr. Helland:

Brown & Root Environmental is pleased to provide three copies of the subject draft reports. We are providing you two copies of each document, and we forwarded one set of copies to Larry Burg at NWS Earle. Please note that we have not included the electronic deliverables with this submission. If the Navy wishes to review the electronic deliverables prior to submission to the NJDEP, please contact me and I will arrange to have a compact disc sent to you as soon as possible.

As always, we appreciate the opportunity to complete technical services for the Navy. Do not hesitate to contact me if you have questions or require revisions to the subject report.

Sincerely,

Richard J. Gorrell  
Project Manager
